2.0 GAMES ADMINISTRATION

2.1 TEAM REGISTRATION & TEAMSHEETS

Team lists should be registered by 10am on the Wednesday before your game by emailing to stephen.donnelly.ulster@gaa.ie AND niall.muldoon.ulster@gaa.ie

This should be returned in Excel format on the template provided. PDFs or other copies of squad lists will not be accepted.

Once registered, numbers may not be changed and the numbers worn on match day must reflect the team registered. This registered list will be used for the match programme and will be available on Ulster GAA Club Championship microsite from 10am on the Saturday morning before the game.

Any fifteen players may start the game, not necessarily those numbered 1-15, but these changes MUST be reflected on the teamsheet given to the Referee prior to the game commencing.

Two copies of the teamsheet still need to be provided to the Referee 40 minutes prior to the throw in time for your game (and remember extra copies in the event of Extra Time).

6.26 Team Party – Provincial/All-Ireland Club

A Team Party competing in a Provincial or All-Ireland Club Championship shall consist of not more than thirty players.

As per Riail 6.26 T.O. 2022 (Cuid I), only THIRTY players may be registered on the match day team list.

2.2 MATCH REGULATIONS

Clubs should note that the most recent version of the *Regulations Governing the Organisation and Presentation of Inter-Club Championships, Inter-County Championships and Allianz League Games* will apply to the 2022 Ulster GAA Club Championship.

Club Secretaries should make themselves familiar with this document in advance of your game, as breaches will be dealt with under Regulation 3.4. A copy of these regulations has been attached.

Of particular note are Regulations 2.5 – 2.9. Please make your management team familiar with these regulations in advance of the game.

The only personnel allowed on pitchside during the game will be;

- Bainisteoir (wearing a distinctive bib/top)
- Two medics (clearly identified and sitting pitchside)
- Two Maoir Uisce (Football) or Maor Camán (Hurling), wearing a distinctive bib and positioned on the 45m line at opposite sides of the pitch

All other members of the backroom team will be required to stay in the designated area and will not be allowed access to the pitchside.

2.3 WINNER ON THE DAY

As per Riail 3.5(b) T.O. 2022 (Cuid II), all Provincial Club Championship games will be *Winner on the Day*.

As a result, Clubs should familiarise themselves with the Winner on the Day protocols in the event that you may encounter them at some stage during your Championship.

A copy of these protocols has been attached.

These regulations also includes a Player Registration sheet should the game proceed to a penalty competition. This sheet must be completed and signed by the Club Secretary, and handed to the Referee before penalties commence. Please print this and bring along with you, just incase it is required.

2.4 DISCIPLINARY MATTERS

Any disciplinary correspondence will be issued by Niall Muldoon to the relevant unit/member via the Club Secretary email address.

Accompanying any disciplinary correspondence will be a "Request for a Hearing" form.

Should the unit/member wish to request a Hearing, this should be completed by the member themselves (or Club Secretary in the case of a unit) and returned to Niall within the appropriate timeframe.

This request will then be forwarded to the Ulster Hearings Committee who will deal with it accordingly.

2.5 CLÁR AN LAE

The *Clár an Lae* for each event will be circulated by Stephen Donnelly to clubs involved on a weekly basis.

This will contain information on Event Controller, stewarding arrangements and times for teams to take the field etc. Your co-operation with the match day stewards concerning these arrangements is expected and appreciated.
